

## 19. Family Letter

### DECLARATION OF CONFORMITY (DoC)

Manufacturer Name: Payter B.V.  
 Manufacturer Address: Rozenlaan 115  
 3051LP Rotterdam  
 The Netherlands

Hereby declares that the following products constitute a family. They share the same hardware (electronics), share the same software platform<sup>1</sup>; including but not limited to all EMV L1, L2 and payment application modules.

Product Descriptions: Cashless Payment terminal  
 Product Model Name and Number(s): Apollo - APO01.XX.XXX V1-X  
 Apollo Max - APM01.XX.XXX V1-X  
 The Apollo Max is also branded under the name  
 Apollo Polar - POL01.XX.XXX V1 -X

Product Model Options: All

Any changes to the last digits of the product reference (e.g. APO01.XX.XXX) reflect only minor variation which do not create any regression and do not affect even partially any of the tested items. Where X is a place holder for product features that do not impact the further functionality of the device, e.g. the presence of a modem, colour of device or custom branding options. All models share the same EMV L1 and kernel modules as listed below.
